RVAC has approval to offer VET Student Loans during the transition period of January 1, 2017 to June 30, 2017, and is unable to guarantee the provision of VET Student Loans after this period

As this RVAC course is approved under the Higher Education Support Act 2003, eligible students' tuition fees may be deferred under the VET Student Loan Program.

This VET course of study includes only diploma level units of competency from the Aviation Training Package AVI

It is a requirement that only those who hold a current CASA Private Pilot's Licence (**with 50 hours cross country command, and passes in 7 CPL Theory Subjects**) or CPL already and meet all CASA requirements (prior to commencement of this course) can access VET FEE HELP for this course at RVAC.

While RVAC can deliver both the PPL and CPL licences, the tuition fees for these two licences cannot be covered under the VET Student Loan Program; and hence must be met by the Student

Please note that the above does not include the following incidental fees which must be covered by the student:

ASIC Card. Cost published by CASA on [www.casa.gov.au](http://www.casa.gov.au)

Medical licence fee. It should be noted that there are a large number of CASA Approved Doctors nationwide (fees can vary)

Entry Requirements

Textbooks, Uniform, Navigation Equipment, Airservices and CASA documentation

Club membership \$180.00
