

Sponsorship Opportunity

The Royal Victorian Aero Club is the oldest Aero Club in Australia, founded 28th October 1914 at Point Cook, Victoria by Group Captain Sir Thomas White and 2 other Officers. We have a long history and currently the Club has approximately 600 members and is actively involved in promoting aviation. Our not for profit organisation has a large flight training school, which is registered as an RTO offering complete flight training to aspiring pilots. Our Club Rooms include a Bar and Catering facility seating up to 160 people. The Club has been awarded the Australian Aero Club of the Year for 2024 and we aim to continue our goal of education and safety in aviation.

This year is a very special year as the Royal Victorian Aero Club will celebrate 110 years of aviation on 20 October 2024. Across the next twelve months, we have planned a range of exciting opportunities for our members and the general public, including Flying Safety Seminars, Flying Competitions, Monthly Social Events at our Flight Deck Bar & Grill facilities, our yearly Dawn Patrol in September and extensive Educational opportunities for students, members and the general public.

We would like to offer your business the opportunity to partner with us, through your sponsorship. Four levels of sponsorship are currently available and with your support, we will continue to offer the high level of aviation benefits to our future aviators and supporters. Please take the time to consider the options below and I look forward to speaking to you about your interest in partnering with us.

Regards,
