## Go Solo Package:

This package aims to ensure you achieve your first solo flight, one of the most significant milestones in a pilots career. You will build on what you learn in the first four lessons and introduce other concepts like stalling, landing, takeoff, use of flaps and emergency procedures etc. All consolidated to ensure you have the necessary skills and competence for you to be able to take your first solo flight.

### Price includes:

- First 11 lessons of our Recreational Pilots Licence (RPL) course
- Up to 12 hours dual flight lessons in a Cessna 152.
- All briefings pre & post flight.
- Aircraft Hire, experienced instructor, landing charges & GST.

### Conditions:

- All lessons must be completed by 30 June 2026.
- 50% payment upfront with the balance due after the 5th Lesson.
- Non-refundable/transferable.
- Club Membership required.
